Safety Information

ABOUT PHOTOSENSITIVE SEIZURES

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these "photosensitive epileptic seizures" while watching video games.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop playing and consult a doctor if you experience any of these symptoms. Parents should watch for or ask their children about the above symptoms—children and teenagers are more likely than adults to experience these seizures.

The risk of photosensitive epileptic seizures may be reduced by sitting farther from the television screen, using a smaller television screen, playing in a well-lit room, and not playing when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

Other Important Health and Safety Information The Xbox Instruction Manual contains important health and safety information that you should read and understand before using this software.

AVOID DAMAGE TO YOUR TELEVISION

Do not use with certain televisions. Some televisions, especially front- or rear-projection types, can be damaged if any video games, including Xbox games, are played on them. Static images presented during the normal course of game play may "burn in" to the screen, causing a permanent shadow of the static image to appear at all times, even when video games are not being played. Similar damage may occur from static images created when placing a video game on hold or pause. Consult your television owner's manual to determine if video games can be played safely on your set. If you are unable to find this information in the owner's manual, contact your television dealer or the manufacturer to determine if video games can be played safely on your set.

Unauthorized copying, reverse engineering, transmission, public performance, rental, pay for play, or circumvention of copy protection is strictly prohibited.

The Fighters

My unworthy assistants have helped me compile some tasty tidbits on this year's collection of the best fighters in the world—these are the chosen best that will claw and scratch their way through the Fist of Fire fighting tournament, held annually on the eve of the new year.

As my notes show, the most attractive aspects of these competitors are that they are more than just great fighters, they are also the most ruthless and heartless group of individuals I've ever encountered—very strong in the dark side. That's why many of them have already been invited to fight in the underground fighting circuit here in Drasuka. Only the best and dirtiest fighters with the right connections (Can you say *Maladinia*?) find their way here. Yes, there are some newcomers I don't know much about, but by the time I've seen them fight a time or two, I'll have discovered a lot of what I need to know for my purposes. I will find this thoroughly delectable.

Such pretty scars!

REIJI

FIGHTING STYLE:

Jeet Kune Do

ORIGIN: Japan

AGE: 27

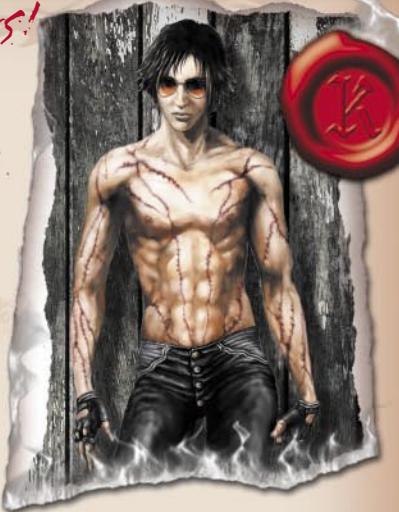

WEIGHT: 71 kg

HEIGHT: 175 cm

This young specimen is filled with anger. I like that. He was adopted and trained by his father, a well-respected Jeet Kune Do master. After Khan

brutally murdered his father, Reiji was a man possessed with hatred and revenge. He still carries the scars from the wounds Khan left on him that fateful day—sometimes Khan just takes his carving a little too far. We never expected Reiji would find his way to the Fist of Fire so quickly, but here he is. It shows will and determination. He must really burn for revenge. We'll see how he does.

Will his style hold up against the others?

VITTORIA

FIGHTING STYLE:

Combat Arts

ORIGIN:

Spain

AGE:

24

WEIGHT:

65 kg

HEIGHT:

170 cm

Vittoria may think we don't know why she's here in Drasuka, but she's wrong. While growing up in Spain she thought

she'd like to work for Interpol, so she studied criminology and combat and many different kinds of martial art forms. She's an interesting young woman. She came here to track down her brother. I'm not sure how she found out he was here, but it doesn't matter. Now, she's all mine.

Hasta la vista, baby!

VEGARD

FIGHTING STYLE:

Tae Kwan Do

ORIGIN:

Norway

AGE:

30

WEIGHT:

80 kg

HEIGHT:

180 cm

Only a recent invite, Vegard just breathes evil. He's a man possessed. I mean, just look at him and you can tell he's one of us; I

know he is because I know that iron mask. He's been fighting in the underground here in Drasuka and thrives on punishing his opponents, which has made him immensely popular. The thought of seriously hurting or killing another fighter thrills him, and he doesn't even appear to care about the money. He keeps coming back for more violence. I'm anticipating he'll do well in the Fist of Fire this year.

J.D. STONE

FIGHTING STYLE:

Pit Fighting

ORIGIN:

U.S.A

AGE:

29

WEIGHT:

76 kg

HEIGHT:

177 cm

This guy seems nice but there's a definite mean streak about him when it comes to the ring. I find that so attractive! He's had close scrapes while in the military

and even saw all his buddies ambushed and killed. Sorry about that! He should be thankful he survived. I need to take a closer look at how he does against some of our best fighters in the Fist.

Unusual style and stance, but it has proven effective.

KHAN

FIGHTING STYLE:

Kung Fu

ORIGIN:

Hong Kong,

SAR

AGE:

37

WEIGHT:

170 kg

HEIGHT:

195 cm

Brutal, and that's why we hired him. I know Khan all too well, and though he's

not very pretty to look at he's done some great work for our organization. He came from the mean streets of Hong Kong and isn't known for his smarts. What he doesn't realize is we've lured him into our trap. He murdered one of our own, and we WILL make him repent, one way or another. What Khan did to Reiji's father was simply a work of art culminating in his "sculpting" upon Reiji himself. I wonder how they'll do in the ring against each other? It will be amusing to watch!

SABRE

FIGHTING STYLE:

Karate

ORIGIN:

France

AGE:

27

WEIGHT:

100 kg

HEIGHT:

190 cm

This malcontent is just what we've been looking for. He's a brute who always wants more, regardless of how he gets it. He's

been a *Maladinia* fighter for a while now in our underground circuit here in Drasuka. The crowds love him. We'll have to take a closer look at a promotion, but only after seeing how he does in the Fist of Fire.

That can't be his real age?

ASAD

FIGHTING STYLE:

Muay-Thai

ORIGIN:

Somasia

AGE:

31

WEIGHT:

103 kg

HEIGHT:

192 cm

Asad's reputation preceded him. That's why I ordered he be brought to me. I know he doesn't like being here but he's good at fighting and hard

to beat. The anger burns within him, and he's out for revenge like many of the others. I like his style. He grew up in a remote African village where he was taught the art of focusing his mind on physical tasks by a Siamese-Thai fighting master. His balance and speed are extraordinary. It's too bad we had to destroy his entire village to force him to come here to Drasuka and fight for us.

YING KAI LI

FIGHTING STYLE:

Hakkyoku-ken

Kung Fu

ORIGIN:

Hong Kong, SAR

AGE: 17

WEIGHT: 54 kg

HEIGHT: 160 cm

Ying is a born rebel. He's a runaway looking for trouble and not bad at the fighting arts, especially for his size. He was raised by traditional Chinese parents who moved to Hong Kong from a northern province only a year ago. He quickly fell in with a hip, young gang of kids and began skipping school and skateboarding all day on the streets of lower downtown. He hasn't studied Hakkyoku-ken very long at all but has excelled. He has natural abilities in that area. He's very quick. He's a born leader and rebelled against his father's discipline. He knows Reiji but is jealous of him. Ying secretly admires Sabre's fighting skill and hopes to meet him in the cage.

My sweet naive little girl...

RENA

FIGHTING STYLE:

Capoeira

ORIGIN: Japan

AGE: 21

WEIGHT: 48 kg

HEIGHT: 158 cm

This young girl is quite a competitor. She is SO young and impressionable, and I'd even call her naive—easy prey! She is spoiled and overly self-assured. We can use that. Her style is quite unusual, but her application of it upon an opponent is a joy to watch. No one should underestimate her skills. She is a disillusioned rebel. She also has no problem stealing from her own father—an excellent trait even though her father works for me. She has a good bloodline for spreading evil.

*Dangerous things come in small packages!
Good luck, Rena...*

CRUSHER RAMIREZ

FIGHTING STYLE:

Professional
Wrestling

ORIGIN: Argentina

AGE: 34

WEIGHT: 180 kg

HEIGHT: 210 cm

Crusher Ramirez has traveled the world as a wrestler and been suspended from every major wrestling federation. His viciousness has earned him a reputation that no legitimate wrestling promoter will touch, but we of course don't mind it at all. As a matter of fact it's something we find quite appealing. He has found a home here in Drasuka, where his tendency to permanently cripple his opponents is an advantage since it thins out his competition. He is brutal and direct. His boundless anger and willingness to do anything to win is an asset, and he's as strong as a pair of oxen.

CRUSHER'S FAVORITE MOVES:

SHADOW

FIGHTING STYLE:

Ninjitsu

ORIGIN:
Unknown

AGE: Unknown

WEIGHT:
Unknown

HEIGHT:
Unknown

Rumors about Shadow are wild and contradictory with not

much truly known by the public. Some say he's the result of a genetic experiment, and others think he's a cyborg, but we know the truth. Shadow is a faceless, heartless, merciless force in any combat, a personal favorite of mine since he has the highest body count of any of our *Maldinia* fighters. He excels at killing, something we continue to encourage. The fans love him!

He is enhanced in more ways than meet the eye!

ROXY

FIGHTING STYLE:
Kung Fu

ORIGIN: U.S.A.

AGE: 25

WEIGHT: 60 kg

HEIGHT: 173 cm

She knows pain and how to dish it out, which is a major plus. Of course, she had a good teacher since she was one of

Khan's students until he attacked her—he's such a succulent pig! She escaped and continued to do good work as a mercenary and an assassin, and her mark is evident in many bloody encounters throughout the world. She has successfully completed a number of contracts for us as well. The fun part is she thinks she's looking for Rena, as an assignment for Rena's father who works for us, but she's really only being drawn more deeply into our web—well, they all are.
